

# AUDUBON BIRD SEED SALE

Welcome to the 2nd annual AUDUBON SOCIETY OF OMAHA winter bird seed sale. Audubon is committed to providing you and your feathered winter visitors the highest quality seed available at competitive prices. We appreciate your support and wish you many happy hours of winter bird feeding and watching.

**2012 PRODUCT PRICES AND AVAILABILITY:** As always, there is good news and bad news on the price situation of bird food products. The good news is that Black Oil Sunflower Seed has gone down considerably in price by \$9.50 for a 50 # bag. The bad news is that peanut products have gone up. That has caused the cheaper seed mixes to decrease slightly in price and the fancy, nut-filled mixes to go up slightly in cost. All in all, you'll find that prices are mostly down a bit from last fall.

**PRODUCT DESCRIPTION:**

CARDINAL MIXTURE- Millet base with added milo, cracked corn, peanut chips and 20% sunflower by volume.

AUDUBON STANDARD MIXTURE - Higher quality basic mix with millet base, cracked corn, hulled oats, peanuts and 40% sunflower seeds by volume. No milo.
